RE: Heriberto Anaya
Anaya Welding & Lease Service, Inc.

To whom it may concern:

In July, 2009, Heriberto Anaya and his crew did all the welding on our Bob Miller #1 location in Hidalgo County. I was very impressed with the quality of his work, the competitive pricing and his crews' efficiency. The work included laying our pipeline, fabrication of risers and installation of all production equipment.

I will continue to use Heriberto's services in any of our operations and highly recommend Anaya Welding & Lease Service, Inc.

Sincerely,

Kenneth Doan,
Production Manager
