To Whom It May Concern:

Please be advised that I have known Heriberto Anaya on a personal basis since 1975 when we both participated in outdoor sports activities competitively. Though he was highly competitive, Heriberto always conducted himself in a sportsmanlike manner.

In my capacity as Area Plant Operations Superintendent for Valero Energy, I have over the past two years enlisted the service of Anaya's Welding & Lease Service on numerous occasions. The work Heriberto and his lease service has done for Valero has always been exceptional, prompt and efficient.

Heriberto maintains a good working relationship with all parties concerned in completing a job. I have always heard good comments from other operators who use his lease service.

Yours very truly,

Danny Sandvig
